Job #WINT2 - External

WINTERIZE-TT/CLASS C

Due to the winterization process, most refrigerator filters and water filters will need to be replaced. Because of the variability of filters, customers will be responsible for ordering/supplying the replacement filter for your unit at time of dewinterization in the spring.

Because of the number of different filters being used by manufacturers, Tri-Am RV cannot guarantee that we will have the correct filter in stock at time of the appt. Therefore, we recommend that you either pre-order your filters, or bring them with you at your appointment time.
