Hi Dana,

I was just wondering if you have been able to get in touch with the vendor to see if they would like us to use a specific carrier? As mentioned below, the shipping rates vary significantly.

Thank you,  
Stephanie Kendziorski

Hi Dana,

Is there a specific carrier that the vendor would like us to use? The shipping rates vary significantly, all the way from \$140 to \$400.

The vendor will pay for the freight. I will reset the claim so you can add a line for freight only once you have the amount.

Good afternoon,

Are you able to provide any information on who is responsible for the return of the window? I know we need to send it back, but who is going to pay for it? It's quite a large window and will be quite an expense to return it. Is Lippert going to send us a label? If we pay to return it, is it something we can claim on the line? I haven't gotten a response in the portal regarding it, so I just wanted to email and check.

Thanks for your help,
