Job #FPDINTT - Internal

COMPLAINT: FINAL PDI ON NEW TRAVEL TRAILERS

CAUSE: Final pdi

CORRECTION: Lug nuts torqued to spec air pressure correct in all 5 tires. Running lights and tail lights work properly brakes and Emergency Brakes work properly installed a new battery. Exterior inspection looks good. Roof inspection found some voids that I filled with dicor self-leveling. Roof good now. Awning fabric and hardware looks and works properly Awning lights work properly. Interior inspection put water in fresh tank and flushed out all the lines found that the hot line to outside shower was pinched so i fixed that. Water pump works properly. Then hooked up to city water and flushed out all the lines. Stove works properly microwave works properly refrigerator works properly both ac units works properly furnace works properly water heater works properly. Tv antenna works properly. Did my lp drop test on outside port with stove and furnace running. Regulator could not adjust anymore so i replaced it and system works properly now. Drained black tank and gray tank and fresh tank.
