You will need to resubmit your request. This one has already timed out, and manager has advised that we should not be opening things that far back. This is from August.

Thank you!

Good afternoon Ashley,

We were informed last Friday from Dan Kussow that you would be putting this PA back in pending so we can update it to reflect what needs to be done. Can you please let us know when you will be doing this as I know we will only have until the end of that day to update it or it will expire again.

I have checked this multiple times Friday and yesterday to make sure I updated it, but there has been no movement from Grand Design.

Thank you.
