The vendor will pay for the freight. I will reset the claim so you can add a line for freight only once you have the amount.

Subject: Claim 2449741 - Line 1 - Return of window

Good afternoon,

Are you able to provide any information on who is responsible for the return of the window? I know we need to send it back, but who is going to pay for it? It's quite a large window and will be quite an expense to return it. Is Lippert going to send us a label? If we pay to return it, is it something we can claim on the line? I haven't gotten a response in the portal regarding it, so I just wanted to email and check.

Thanks for your help,
