1. The exterior wall is sitting on a waterline going to the outside shower and has caused it to start leaking took pictures. Would need to remove the shower surround and base to be able to get to the connections to replace the hose took pictures. Customers were wondering if they could get warranty to cover it being that you can tell, they pinched the hose between the wall and the floor from the factory

2. 10:40-11:10 did not have good service, REQUESTING 5.0 HRS
