#### Job #1 - Warranty

COMPLAINT: CUSTOMER STATES REFER WILL NOT OPERATE ON BATTERY ONLY WORKS WHEN  
CONNCTED TO SHOREPOWER

CAUSE: No resistance between defrost heater fridge does not cool

CORRECTION: Talked to Elisha at Lippert and was sent over a troubleshooting guide for the exact fridge  
model. Upon going thru the troubleshooting guide I tested the defrost heater for resistance and it read off  
which means that the defrost heater is bad and needs to be replaced. Spoke with Elisha again at Lippert  
and she said theres no more troubleshooting to do that there going to have to send a whole new fridge due  
to the off reading on defrost heater. Requesting 2.0 to remove and install, additional labor may be required  
if a window or door needs to be removed.

#### Labor

| Job #                | Description           | Total |
|----------------------|-----------------------|-------|
