Job #1 - Warranty

COMPLAINT: ANTENNA NOT WORKING NO CHANNELS AT ALL AND NO RADIO STATIONS

CAUSE: Furrion antenna flew off

CORRECTION: Plugged camper into shore power to test the tvs. Checked radio and TVs for signal, tvs would not pickup signal. Radio has a fuzzy signal. Checked the roof for antenna. Antenna had broken. Took pictures of antenna, then got with Ben for replacement antenna. Closed up camper until approval from Keystone for new antenna. Received new antenna for stereo. Hooked up antenna for radio and tv. Put Putty tape on the bottom of the wine gard antenna then screwed it to the roof. Used self leveling dicor sealer around the antenna. Went inside camper, then channel search both tvs and checked radio for signal. Radio and the tvs work as should. took pictures
