#### Job #1 - Internal

COMPLAINT: BED ROOM SLIDE NOT GOING OUT

CAUSE: bedroom slide not going out

CORRECTION: brought camper in and tried to run room out and it is popping and cracking track is ate up needs new system,took apart to get numbers to order new parts.tried to run room out and back side will work and front side is locked up,had to break motor out of front side and room came out a inch had to fit in no 2 square and take out all screws by hand,took 2 hours to get that far,next,finally got to push out room to take out screws in rails,took out rails and set up new system and timed to start installing new system.scraped all silicone off of sisewall and sidewall of camper.installed track system and secured,ran rail in and raise room up and down to get in,hooked up motor and inside bulb seal,installed 2 plates to wall to secure rail to wall.did same thing to other side and sealed with silicone.
