Job #7 - Internal

COMPLAINT: ONE OF THE MARKER LAMPS ON THE DOOR SIDE STAYS ON ALL THE TIME.

CAUSE: Marker lamp NO PICS

CORRECTION: Took panel off of junction box to see if can find the wire that is making the marker light be left on and I found the wire that was the same color and chased it down to the wires behind the fireplace then i couldn't find any wires that would make the light stay on so I took the wires that were hooked into anything different set and then the marker light turned off so then I rewired the wire that turned it off and the other wires that made the other marker lights come on and wired those together then when testing it the marker lights would work properly then I grabbed a new crimp and crimped them all together so the lights all would work properly
