Job #1 - Warranty

COMPLAINT: SHOWER LATCHES ARE STRIPPED AND FALLING
APART

CAUSE: Broken shower handles

CORRECTION: Received the new shower handles but the old ones are in the bag. Follow the instructions and apply super glue then the rubber sleeve and plastic insert for the screw. Place the handles over the glass and tap it gently with a rubber mallet. Put the screws through the handle and tighten. Took pictures of the process. Put the shower handles that the customer provided in the warranty department.
