Job #1 - Warranty

COMPLAINT: WATER HEATER DOOR IS RUSTED

CAUSE: Rusted Water Heater Door.
Water heater door door rusted

CORRECTION: Took pic. Part requested new door and frame
I removed the old rusted water heater door. I had to heat the sealer at the bottom of the door to get it to release. I resealed the bottom edge and put the new door on. I cap sealed around the top of the door the same as the factory.
