Complaint, Cause, Correction				
Original Note : greeneway@dealer-advisors.com, 2024-04-11 17:24:00 :: Complaint: Front jack makes noise. Cause: The front power jack makes excessive grinding noise. The noise started off really minor and got much work as it was used. This is for the self leveling trailer option power tongue jack with extra plugs on it for that system. Correction: Replace self leveling tongue jack. Additional Note : greeneway@dealer-advisors.com, 2024-04-11 17:31:39 :: It is not damaged at all externally.
