All Lippert Components, INC products which contain hardwood, plywood, OSB or overlay meranti complies with Phase 2 emission standards of section 93120(a) of Title 17 of the California Code of Regulations, and Title VI of the EPA Toxic Substances Control Act. Customer shall have 48 hours from date of delivery of the products to inspect and provide written notice to LCI of any product rejected as non-conforming. Failure to timely inspect shall be deemed a waiver of right to inspect and final acceptance of the shipped products by the customer.

Our preferred payment method is by ACH, which reduces administrative costs and process times. Please contact our Credit Department for assistance with setup.
