Good morning Alix,

If these can be provided that would be perfect, but technically this is considered a goodwill because of the labor time being requested. We appreciate the email in and if you have any questions please let me know!

Thank you,

Subject: Claim 2542734

Good morning Mark,

I wanted to ask if the photos of the tanks including vendor stamps/logos and all probes, are still required when submitting this for payment. I don't want to delay the dealership, so I wanted to ask before we submit this, as the work is done.

Thanks,
