Yes, I noticed that too. No worries. I got it entered and just waiting for approval - the flat rate is only 0.2 hours so it required approval first since the tech requested 0.3 hour.

Yes , I created it. It is in Tekion under that RO number and is ready to submit. This was a recall. Should have no issue with approval , There are pics attached on the RO under the recall line.

I noticed an empty folder in PA Approved - Jayco. Please let me know what needs to be done with this. If it needs a PA, please move it to PA needed - Jayco.

Thanks,
