Stephanie,

Your pictures do not show the need to replace the door. It also only shows a couple small areas that need touched up. Also the unit has been out of warranty since October.

Subject: Claim 2534030

Good afternoon,

This job was only approved for .1 in labor, and we requested an hour. It's not just replacing the door strap. We either need to repair the paint and touch up OR replace the door/door jamb because it was damaged by the removal of the tape.

Are we able to get more time?

Thank you,
