Subject: Claim 2503728 lines 1 & 3

Good morning Hakimah,

I just wanted to check with you and make sure that there is no need for a part return on either of these lines. I'm not seeing any notes that the board needs to go back or a cut cord picture for the fridge, and it is paid. Just don't want to get rid of the part prematurely if the vendor might ask for something to be returned.

Please let me know. Thanks!
