We are subletting, however if we use 2.5 hrs and materials, we can make something as sublets are just straight across.

Hey! I tried calling you on this one. The sublet - is it actually a sublet or just how you're billing paint and materials? If it's going to be an actual sublet, I'm going to need the estimate. But yes, I will put in labor at 2.5 hours. :)

Hey Stephaine,

Happy Monday!

Can you submit for 2.5hrs on this workorder and I will then mark up the sublet if approved.

Thank you,
